CASPER, WYOMING

“To Serve As The Principal Catalyst For Economic Development In Our Community.”

The Casper Area Economic Development Alliance (CAEDA) and the Economic Development Joint Powers Board (EDJPB) is proud to present the 2008 General Industrial Directory. We hope this provides the information you need about principal business and industry in our county, the services they provide, and the leaders who run these fine companies. This directory will be available to our business leaders, as well as to prospective investors. We hope you find it useful.

Members of the CAEDA Board of Directors and the EDJPB are listed below. They are private business leaders and elected officials for the Casper City Council and Natrona County Commission. These citizens continue to invest their time, resources, and energy to support economic development in Natrona County.

Contact CAEDA for more information on doing business in Casper-Natrona County, Wyoming.

Industrial Category Index

Aggregate

Makes crushed rock, gravel and ready-mix concrete.

Agribusiness

Companies producing products related to farming and agriculture.

Apparel

Companies involved in the manufacture, embroidery, custom sewing or screen printing of clothing and accessory items.

Chemicals & Allied Products

Companies involved in the creation of chemical-based products such as fertilizer, soda ash and others.

Construction Manufacturers

Companies manufacturing tools or building components for the construction industry.

Electronics

Companies involved in the manufacture of electrical components.

Energy & Mining Manufacturers

Companies who produce tools and materials used by any extractive or energy processing facility (i.e. power plants or refining).

Firearms

Companies manufacturing guns and ammunition.

Food & Beverage

Companies that produce products for human consumption.

Instruments

Companies that manufacture instruments or controls for machinery.

Machine Shops

Companies that manufacture, fabricate or weld primarily using metals.

Other

This group of companies manufactures specific products unrelated to the other categories in this index.

Plastics & Composites

Companies that manufacture primarily with plastics.

Printers

Companies that produce printed and graphic materials including sign makers, screen printers and lithographers.

Publishers

Companies that produce books, magazines, newspapers and other in-house publications including TV media.

Sports Products

Companies that produce goods for sporting use including sportsmen's products.

Telecommunications

Companies that manufacture electrical devices used for TV, radio and other communications such as internet and telephone.

Transportation

Companies that manufacture products used for transportation such as individual and mass transit vehicles.

**If you would like your manufacturing/production business listed in this directory, please contact the Casper Area Economic Development Alliance at (307) 577-7011 or send an email to: info@caeda.net.

Wyoming Business Council

Providing business services to Wyoming manufacturers through regional offices and strategic partners.

Business Assistance

The Business Council assists with business start-up, growth and expansion. The Business Council also works to recruit targeted businesses to the state.

Business Assistance programs include:

- Agribusiness assistance
- Business counseling and permitting
- Business plans review
- Energy audits
- Financial resources and loan programs
- Government contracts & intellectual property
- HR consulting
- Innovative research
- International business
- Manufacturing support and product development
- Marketing and trade show assistance
- Women-owned business

Community Assistance

The Wyoming Business Council works with communities to build community-owned infrastructure making them business ready and improving their economic climate. Some of these community-owned infrastructure projects help communities recruit businesses to the state. Community Assistance programs include:

- Business Ready Community Program
- Community Development Block Grant Program
- Community Facilities Program
- Wyoming Main Street Program
- Wyoming Rural Development Council
- Data Center Program
